

How to Pay Using PayPal

With or Without a PayPal Account

No PayPal Account is Required!

William H Curd, PhD Ltd

The screenshot shows the PayPal checkout interface. At the top left is the PayPal logo. To its right is a shopping cart icon and the text "\$1,395.00 USD" with a dropdown arrow. Below the logo, the text "Pay with PayPal" is followed by a language selector set to "English". There are two input fields: the first contains the email "paypal@billcurd.com" and the second is labeled "Password". Below these is a checkbox for "Stay logged in for faster checkout" with a help icon. A note states: "For your security, we'll always ask you to log in to update your PayPal personal or financial info." A blue "Log In" button is present, with a link "Forgot your email or password?" below it. To the right of the login section is a graphic of a book with a PayPal logo and the text "New. Faster. Easier." followed by a welcome message. At the bottom, a button labeled "Pay with Debit or Credit Card" is highlighted with a red rectangle. A red arrow points to this button from the right, accompanied by text explaining that this option allows payment without a PayPal account. A green arrow points to the "Log In" button from the right, accompanied by text explaining that this is for users with an existing PayPal account.
